

# Posting on Facebook Before Your Box Arrives

## FOR WOMEN:

**Example 1:** After watching my friend (Tag your enrolling sponsor's name) release / experience / have \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ in just \_\_\_\_\_ days, using an amazing Superfood Nutritional Cleansing system, I decided it was time for me to experience similar results, because I was sick and tired of feeling sick and tired. I'm so excited to get started and to get my body back. My system hasn't even arrived yet, but I'd love to have some of my good friends join me on this journey, so we can hold each other accountable and get the healthiest we've ever been together. Who's up for looking and feeling their best?

**Example 2:** For years I've tried to fuel my body with the best nutrition possible. Despite my best efforts, at \_\_\_\_\_, I still feel like I have low energy, and I can't seem to get rid of those pesky extra \_\_\_\_\_ pounds. I'm sick and tired of feeling sick and tired. I'm excited to start a nutritional program backed by rock-solid science and proven results. I've watched 100s of people online transform their bodies and regain balance, energy, and a nutritionally sound body. My system hasn't even arrived yet, but I'd love to have some of my good friends join me on this journey, so we can hold each other accountable and get the healthiest we've ever been together. Who's up for looking and feeling their best?

## FOR MEN:

**Example 1:** I've spent months going to the gym (or thinking about going back to the gym) with little to no results. I've tried everything from GNC to Green Juice and nothing seems to be working. The reality is, I'm committed to losing weight, putting on muscle and just feeling better with my shirt off. After watching my friend (Enter and tag your enrolling Sponsor's Name or male teammate) experience / release / gain, etc. \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ in just \_\_\_\_\_ days, I'm convinced I've finally found the answer. I'm looking for some of my buddies to run with me on this. Who's up for stopping the struggle and starting the path to getting these awesome results?

## When Your Friends Start Commenting:

**Note:** When comments are made on your post, many times the comments will be something like this: "What is it" or "What are you doing?" NEVER reply with the word Isagenix! Because if you do, odds are good your friends will go to Google and search for Isagenix, discover how amazing it is, and sign up on someone else's website—and you don't want that to happen!

Reply to their comment with something simple like this: It's amazing (tag their name)! I'll send you a private message with more information.

Your private message should look something like this: Use their first name, a few days ago, I reached out to a friend who I had been watching online because I was looking for something or someone to help me \_\_\_\_\_ (lose weight, have more energy, feel like myself again, etc.). I was so intrigued I asked them how it worked and what made it different. He/she sent me to [www.gotakealook.info](http://www.gotakealook.info). I did the research, the before and after pics are impressive, and I'm convinced it's the real deal. The best part is, my friend agreed to coach me. He's/she's worked with loads of people and doesn't charge anything! He/she even showed me how to set up my own account, so I could get the same wholesale pricing he/she gets. [www.Gotakealook.info](http://www.Gotakealook.info) and let me know what you think!

**Note:** You can also add them (with their permission) to your Facebook product page, like RPRR.
